DAY 02

DELHI-AGRA

BY: ROAD (200 KMS/ 5 HOURS)

Morning after breakfast you will be driven to Agra. Upon arrival proceed for check-in at hotel.

Agra in terms of ambiance is still associated with its Mughal period. The Mughals besides being great rulers were also great builders and they preserved their best architectural wonders for Agra & its neighbourhood. It has many wonderful monuments and the Taj Mahal, the greatest of them all, is a masterpiece of Mughal architecture at its best. The massive but elegant Agra Fort, the delicate artistry of Itimad-ud-daulah's tomb, the magnificent Taj and Akbar's deserted capital, Fatehpur Sikri, are each unique and outstanding. Their architectural genius can also be seen in the forts, palaces and aesthetically laid out gardens - each one a silent witness to a grand style of a golden era.

Afternoon proceed for sightseeing of Taj Mahal (**Remains closed on Friday**) and Agra fort.

Taj Mahal is one of the Seven Wonders of the World. It is a UNESCO world heritage site. **Taj Mahal** is everything that has been said about it and more. Taking 22 years and 20,000 men to build, the white marble was quarried 200 miles away and was transported to the site by a fleet of 1000 elephants. Built by the Mughal Emperor Shah Jahan as an expression of his love for his wife Mumtaz Mahal, in mid-17th century, the Taj Mahal is truly one of the wonders of the world. Though the Taj appears to be amazingly perfect from almost any angle, it is the close-up marble inlay work, which is really astounding. You will have ample time to view and be mesmerized by this outstanding piece of architecture.

Agra Fort, an outstanding example of Mughal architecture. Agra Fort - the seat and the stronghold of the Mughal Empire under successive generations. This was the seat of Mughal rule and administration and the present structure owes its origins to Akbar who erected the walls and gates and the first buildings on the eastern banks of Yamuna River. Shah Jahan added the impressive quarters and the mosque while Aurangzeb added the outer ramparts. Visit its Hall of Public

Audience and its Royal Pavilions.

Overnight at hotel.

Fatehpur Sikri the deserted red sandstone city, built by the Great Mughal Emperor Akbar as his capital and palace in the late 16th century. It was abandoned soon after it was built when the local wells went dry and it remains today in much the same condition that it was over 300 years ago. It is complete with palaces and mosques and used to be a town larger than London when it was originally constructed. Now it is an extraordinary place to wander around with its buildings in near perfect condition.

Later continue drive to Jaipur. On arrival, check in at your hotel.

Jaipur, also called the Pink City, was built by Maharaja Sawai Jai Singh II in 1727. It is the only city in the world symbolizing the nine divisions of the Universe through nine rectangular sectors subdividing it. The architect who formalized the city's plans based on the Shilpa Shastra, the epic Hindu treatise on architecture, mixed it with the sublime Mughal and Jain influences of those times. Except for the busy traffic of bicycles, cars and buses, little seems to have changed.

Rest of the day at leisure.
